mission moment

Bobby and Sandy JANK—New Tribes Mission Venezuela face unexpected expenses and concerns. Please keep them in your prayers for the following:

- > Protection - as we head into a turbulent part of the world.
- > Provision - Pray roads clear so provisions can be transported. But also to give us the faith and confidence that we are supposed to have in Him. ("Consider the lilies". Lk 12:29-30)
- > Ministry - Pray and give thanks to God for getting us this far; we now need prayer to overcome current obstacles to get electricity to our mission base.

Your prayers are requested and needed the most. However if you feel led to provide financial assistance, the Jank's would be grateful.
