mission moment

Please keep **The Widow's School, Nigeria** with **Donna and Cheryl Pridham** in your prayers. This summer has seen many improvements to the school; especially with the addition of a new classroom building. They were able to paint most of the rooms through the summer and have enough supplies to finish all but 1 classroom. They were able to see the electrical wiring done and the completion of the roof, light fixtures, fans and outlets. The children on the compound are excited to see colour added to their learning centre. Please keep your prayers strong for this mission team.
