spring mission project

L.A.M.B. ~ Land for A-Ministry Base

As introduced by Mat in his "Mission Moment" last Sunday, we are partnering with I.A.T.W (*Into All The World*) to send funds for this project that will see land purchased for a discipleship ministry base for the training of "A" believers. We are so grateful to God to see the growth of the Church among the "A" people that we have adopted them, as one of our people groups to be reached with the Good News of Jesus. A building will eventually be built on this site, which will serve as a training center for "A" believers. Thanks be to God! If you want to contribute to this project just mark your envelope or online gift as "LAMB" project. This Mission Project will run until the end of April - start of May 2021.

Community gardens will be starting again at Macphail School grounds. Seedlings will always be in demand. Thank you for financial support during the Easter Season and thanks to all who support us throughout the year. **Needs:** carrots and onions. Next food bank is this **Tuesday, April 27th, 2021** at 10am.
